

Saint Margaret of Scotland School

Saint Louis, Missouri

St. Margaret of Scotland Aftercare Program Policies

Tuition Payments

A non-refundable registration fee of \$25 is required to enroll your child(ren) in the program. Only one registration fee is required per family. Once enrolled, payments shall be made via FACTS. The tuition rates for 2020-2021 school year are \$180/month for 1 child and an additional \$160/month for each additional child. Your child will not be able to attend aftercare unless your payments are up to date. Depending on enrollment, financial assistance may be available.

Attendance/Absences

The monthly tuition for the aftercare program covers all days that school is in session. Tuition is not reduced if your child attends aftercare fewer days in the month. For all days listed on the school calendar as "No school" there will be no aftercare provided. There will be no aftercare provided for ½ days, the first two days of school, parent/teacher conference days, and breaks. St. Margaret of Scotland will provide aftercare for all other school days. No care will be provided in the event school is cancelled or dismissed early for inclement weather or another reason.

Pick Up

The aftercare program runs from 3-6pm on school days. A late fee of \$1/minute per child will be assessed for all pickups after 6pm. The late fee must be paid that evening or no later than the following evening. Your child will not be allowed to return to aftercare until the late fee is paid.

Who May Register / Wait List

Those families currently using SMOS Aftercare will have the first opportunity to register for the 2020-2021 St. Margaret of Scotland Aftercare, and any siblings registered for the 2020-2021 school year. The second wave of registration will be offered to new families currently registered for the 2020-2021 school year. The final wave of registrations, if there is room, will be offered to those families requesting registration for the 2020-2021 school year.

Currently, the aftercare program is designed to provide care for 120 students. After 120 students are enrolled, a wait list will be started. The wait list will be filled in the order the registration forms are received. When a spot opens in the program, the spot will be offered to the child at the top of the list. No exceptions.
