THE DIVERSITY CORNER

National Hispanic Heritage Month - Hispanic Heritage Month provides us the opportunity to highlight and celebrate the diverse experiences and contributions of Hispanic and Latino citizens in various careers such as arts, sports, politics and so much more... Make sure we check out the posters around the school that highlights important figures in honor of Hispanic Heritage Month.

National Migration Week - This week we recognize the contributions of individual migrants, as well as their rights and struggles, and reiterate our country's actions to support safe, orderly, and humane migration around the world.

Yom Kippur - Also Known as the Day of Atonement. It is the most sacred and solemn day in the Jewish calendar. Yom Kippur is a day to reflect on the past year and ask God's forgiveness for any sins. This week we celebrate this remarkable event.

POSITIVE QUOTE OF THE WEEK (SUMMARY) – this quote reminds us to give ourselves the credit we deserve. Sometimes we put limits on our own capabilities not because we've tried and failed but simply because we haven't tried at all. In Philippians the scripture says “we can do **ALL** things through Christ who strengthens me”
