

# Saint Margaret of Scotland

Catholic School in Saint Louis, Missouri

St. Margaret of Scotland Parents:

I wanted to send a quick note that we will be sending home copies of the Iowa Test Results today for our second-eighth grade parents. They will be in a sealed envelope and given to the oldest/only child for each family.

I know that this is a departure from tradition, as these are usually given out during Parent/Teacher conferences, but I feel that it is important to give scores out when we receive them. I also know that scores can sometimes be difficult to discern; I encourage you to reach out to your teachers if you have any questions. I am also a resource for you as well.

Know that I use our Standardized Test Scores as a way to celebrate our curricular strengths and to pinpoint areas of growth. I will be meeting with all homeroom teachers over the next month to discuss standardized test scores and how they can help drive instruction.

I am very proud of our students; I know that they worked hard and did their best. Please pray for us as we continue to cultivate our students within our mission of Catholic education.

God Bless,

A handwritten signature in black ink that reads "Patrick D. Holley".
