June 10, 2025

Dear St. Margaret of Scotland Families:

I am pleased to announce that Carrie Crompton, Justin Roth, and Joshua Schum have accepted to serve as our three new School Board members for the 2025-2028 term.

Thank you to everyone who participated in the election process, especially to our nomination committee (Christina Meddows-Jackson and Kate Mahoney) for their dedication and hard work.

Thank you to all who ran and considered running in this election. The school board is only one example at SMOS of the generous support and tireless efforts from our community working toward creating a nurturing environment where our children grow not only in knowledge but in faith, compassion, and character. We have an exceptional school because so many dedicate themselves to our mission of providing an outstanding learning environment for children where students are challenged to meet their academic potential and recognize their giftedness in body, mind, and spirit.

On behalf of myself and my school board class (Ian Mulligan and Sarah Chilenski), I sincerely thank you for the trust you've placed in us to serve SMOS these last three years. I know that Carrie, Justin, and Joshua will elevate our School Board to new levels, and I ask for your prayers as they embark on this new phase.

Sincerely,

A handwritten signature in blue ink that reads "Cliff Reynolds".

Cliff Reynolds
'24-'25 School Board President
